Section 3.10. Official Bonds. The Mayor and every officer, agent and employee of the Town having duties embracing the receipt, disbursement, custody or handling of money, and other officers and employees designated by the Board, shall give a fidelity bond or faithful performance bond, as determined by the Board, with a surety company authorized to do business in the State of Tennessee as surety, in such amount as shall be prescribed by the Board. All such bonds and sureties thereto shall be subject to approval by the Board. The cost of such bonds shall be paid by the Town. Such bonds shall be blanket bonds covering offices and positions to be bonded, and individual bonds may be secured only when blanket bonds are not obtainable.

Section 3.11. Personal Financial Interest Disclosure; Conflict of Interest Prevention Policy. Any officer or employee of the Town shall not profit personally, directly or indirectly, from any business transacted with the Town government, nor shall any officer or employee accept any free or preferred service benefits or concessions from any person, company or firm regulated by or doing business with the Town.

ARTICLE IV.

FISCAL ADMINISTRATION

Section 4.01. Fiscal Year. The fiscal year of the Town shall begin on the first (1st) day of July, and shall end on the thirtieth (30th) day of June of the succeeding year, unless otherwise provided by ordinance.

Section 4.02. Mayor to Submit Annual Budget.

(a) Not later than forty-five (45) days prior to the beginning of each fiscal year, the Mayor shall submit to the Board a proposed budget for the next fiscal year, showing separately for the general fund, each utility, and each other fund the following data:

(1) Revenues and expenditures during the preceding fiscal year;

(2) Estimated revenues and expenses for the current fiscal year;

(3) Revenues and recommended expenditures for the next fiscal year, not to exceed the amount of estimated revenue;

(4) A comparative statement of the cash surplus (or deficit) at the end of the preceding year and the estimated surplus (or deficit) at the end of the current fiscal year; and

(5) Any other information and data such as work programs and unit costs, justifying recommended expenditures that may be considered necessary by the Mayor or requested by the Board.

(b) Additional Revenue Measures; Estimates. The Mayor may recommend and estimate receipts from additional revenue measures, providing such estimates are separated clearly from normal revenue estimates.

(c) Mayor's Fiscal Policy Statement Required. The budget shall be accompanied by a message from the Mayor containing a statement of the general fiscal policies of the Town, the important features of the budget, explanations of major changes recommended for the next fiscal year as compared with the current fiscal year, a general summary of the budget and such other comments and information as the Mayor may deem pertinent.

(d) Copies to be Provided to All Commissioners; Public Inspection Requirements. A sufficient number of copies of the Mayor's message shall be reproduced so as to furnish a copy for each member of the Board, and to any person desiring one. A copy of the Mayor's budget in full shall be provided to each member of the Board and the Town Recorder for public inspection. Members of the public may, upon paying the requisite fee, receive the Mayor's message and the full budget, such rates per page and document to be set by ordinance.

Section 4.03. Capital Improvement Budget. A capital improvement budget may also be prepared to include a description of projects recommended for the ensuing fiscal year and up to five (5) succeeding fiscal years, the estimated cost of each project, and the Mayor's recommendation for financing the projects proposed for the ensuing year. The capital improvement budget shall be prepared or reviewed by the Parrottsville Municipal Planning Commission. The Planning Commission's recommendations shall be submitted by the Mayor to the Board concurrently with the annual budget. The Board may accept, reject or revise the capital improvement budget as it deems desirable.

Section 4.04. Public Hearing. After receiving the Mayor's proposed budget, the Board may fix a time and place for a public hearing thereon, and shall cause a public notice thereof and announcement of where and when the full budget may be examined to be published two (2)

times in the official Town newspaper, the last such publication to be at least ten (10) days in advance of the date of the hearing. The public hearing shall be held before the Board at the stated time and place, and all persons present shall be given a reasonable opportunity to be heard. Rules governing procedure in public hearings may be set by ordinance.

Section 4.05. Action by Board on Budget; Emergency Budgetary Provisions. After the public hearing and before the beginning of the ensuing fiscal year, the Board shall adopt an appropriation ordinance, based on the Mayor's proposed budget with such modifications as the Board considers necessary or desirable. Appropriations need not be in more detail than a lump sum for each department or agency. The Board shall not appropriate in excess of estimated revenue, except to provide for an actual emergency threatening the health, safety or lives of the inhabitants of the Town, declared by a vote of all members of the Board. If emergency conditions prevent the adoption of an appropriation ordinance before the beginning of the new fiscal year, the appropriations for the last fiscal year shall become the appropriations for the new fiscal year subject to amendment as provided in this section. Amendments may be made to the original appropriations ordinance at any time during a current fiscal year after giving ten (10) days' notice published in local media outlets and a public hearing before the Board. Appropriations, except emergency appropriations as provided above, may be increased during the year only after the Mayor certifies in writing that sufficient amounts of unappropriated revenue will be available to cover the proposed amendments to the appropriations ordinance. Any portion of an annual budget remaining unappropriated at the close of a fiscal year shall lapse and be subject to appropriation for the following year.

Section 4.06. Control of Expenditures. The Mayor shall be responsible for controlling expenditures of the various agencies of the Town to accomplish maximum efficiency and economy. No expenditures shall be made in excess of appropriations.

Section 4.07. Centralized Purchasing.

(a) Designated Purchasing Agent's Scope of Authority. All contracts and purchases, except those reserved to the Board, shall be made by the Town Purchasing Agent appointed by the Mayor, or by the Mayor acting as the purchasing agent. The purchasing agent may prescribe rules for emergency purchases to be made by department heads. Departments shall estimate their future needs and requisition items so that purchases in efficient quantities of scale may be made. The purchasing agent shall prepare standard specifications, dispose of surplus or worn out supplies and equipment and enforce such specifications, store and maintain records of materials and supplies and maintain records of Town property.

(b) Purchases or Contracts Exceeding One Hundred Dollars (\$100.00). Purchases or contracts of more than one hundred dollars (\$100.00) shall require approval of the Board. All purchases and contracts, except for minor items used infrequently or items which must be obtained immediately to avoid disruption of services, shall be by competitive bidding, subject to such regulations as may be specified by Board resolution. Any expenditure or contract for more than three thousand dollars (\$3,000.00) shall be made immediately after sealed bids have been invited by notices published one (1) time in the official Town newspaper and at the Parrottsville Town Hall, to be published not less than fifteen (15) days in advance of the date set for receiving bids. Purchases and contracts shall be awarded to the lowest responsible bidder, but all published notices shall state that the Town reserves the right to reject any and all bids. The Town may waive the requirement to obtain bids when there is only one (1) source of

supply or when such action is in the Town's best interest, providing that the reasons for such sole source justification are made a matter of public record. Bid records shall be preserved by the Town Recorder for a period of not less than two (2) years. Bids need not be taken for professional services and services for which the rates or prices are regulated by public authority, nor shall competitive bidding be required for purchases from other governmental agencies.

Section 4.08. Unauthorized Contract or Expenditure. Any contract or agreement made in violation of the provisions of this charter or ordinances of the Town shall be void and no expenditure shall be made thereunder. Every officer and employee who shall knowingly make or participate in any such contract or agreement, or authorize or make any expenditure thereunder, and their sureties of their official bonds, and every person who shall knowingly receive such a payment, shall be jointly and severally liable to the Town for the full amount so paid or received. A violation of this section by any officer or any employee shall be cause for such employee's removal.

Section 4.09. Sale of Town Property. The Mayor may sell Town property which is obsolete, surplus or unusable, after advertisement as provided in §4.07(b), by sealed bids or at public auction; provided, however, that any sale for more than five hundred dollars (\$500.00), or any sale of real estate, shall be subject to approval by the full membership of the Board. The Mayor may sell any item valued at less than five hundred dollars (\$500.00) without taking bids, but such sale shall be reported to the Board at its next meeting.

Section 4.10. Annual Audit. Within thirty (30) days after the beginning of each fiscal year, the Board shall employ an independent, certified public accountant to make an audit of all financial records of the Town for that fiscal year. The auditor shall perform adequate sampling to determine validity of the records. Each such audit shall include determination of legality of transactions, mathematical accuracy of records, complete accountability and application of accepted municipal accounting principles. The audit shall be completed and a report, including a summary for publication, shall be submitted to the Board within ninety (90) days after the end of the fiscal year.

Section 4.11. Bonds for Public Works Contracts. Each bid on a contract for any public works or improvement shall be accompanied by a cash or surety bond in the amount of five percent (5%) of the amount of the bid. Before any contract is awarded, the contractor shall give the Town Recorder a bond for the faithful performance of the contract, in an amount equal to one hundred percent (100%) of the contract price. The Board may waive these requirements for contracts under five thousand dollars (\$5,000.00).

Section 4.12. Property Taxes. In the event present revenue sources as of December 31, 2000, fail to maintain the essential services necessary to maintain the operations of the Town, the Town reserves the right to assess a property tax levy on all property situated in the Town. The Board shall use Cocke County assessments for all property subject to taxation except property assessed by the Tennessee Regulatory Authority, or its successor agency.

Section 4.13. Omitted Property. If Cocke County assessments are used and the Town Recorder adds to the assessments any taxable property that may have been omitted by the Cocke County Property Assessor, such property shall be appraised and assessed at the same ratio as other property of the same class located in the Town.

Section 4.14. Tax Levies. The Board shall make a tax levy, expressed as a fixed rate per one hundred dollars (\$100.00) of assessed valuation, not later than ninety (90) days prior to the tax due date. Should the Board fail to make a tax levy, the prior year's tax rate shall remain in effect.

Section 4.15. Tax Due Dates and Tax Bills. The due dates of property taxes shall be fixed by ordinance and provision may be made for equal semiannual installments. The Town shall send tax bills to taxpayers, showing the assessed valuations, amounts of taxes due, tax due dates, and information as to delinquency dates and penalties. Failure to send tax bills shall not, however, invalidate any tax, penalty or interest thereon. Property taxed may become delinquent thirty (30) days after a due date, at which time a penalty of five percent (5%) may be added and thereafter such taxes shall be subject to interest at the rate of one-half of one percent (0.5%) for each month or fraction thereof until paid. On and after the date when such taxes become delinquent, the tax records of the Town shall have the force and effect of a judgment of a court of record.

Section 4.16. Delinquent Taxes. The Board may provide by ordinance for the collection of delinquent taxes by issuing distress warrants from the Mayor's office for the sale of goods and chattels to be executed by: any police officer of the Town under the laws governing execution of such process by the Cocke County Trustee as provided in the general law; or by the Town Attorney acting in accordance with general laws regarding the collection of delinquent Town or county property taxes; by garnishment; by suits in the Cocke County Chancery Court; or by any two (2) or more of the foregoing methods, or by the use of any other available legal processes and remedies. If not otherwise collected, the Town Attorney, or other persons or entities designated by the Board, shall file suit for the collection of all delinquent taxes within eighteen (18) months following the date of the delinquency.

Section 4.17. Taxes Not to be Excused. No officer or employee of the Town shall have the authority to excuse taxes, penalties, interest, special assessments or other charges due the Town, but errors may be corrected when authorized by majority vote of the Board.

Section 4.18. Disbursement by Checks. All disbursements of the Town shall be made by checks signed by the Town Recorder and countersigned by the Mayor, or in the Mayor's absence, another member of the Board. The Board may by resolution designate other officers to sign such checks in the absence or disability of the Mayor or Town Recorder.

Section 4.19. Official Depository. The Board shall designate an official depository or depositories for deposit and safekeeping of funds of the Town, with such collateral security as may be deemed necessary by the Board. Such depository shall be federally insured so as to keep the Town's fiscal exposure minimized.

Section 4.20. Accounting. The financial records of the Town shall be established and maintained in general conformity with the accounts and procedures recommended by the Government Finance Officers Association (GFOA) or other nationally recognized authority on municipal accounting.

Section 4.21. Tax Anticipation Borrowing. The Board may borrow money in anticipation of revenues, for payment of current and necessary expenses, which shall be repaid in the same or following fiscal year.

ARTICLE V.

INTERGOVERNMENTAL COOPERATION AND CONTRACTING.

Section 5.01. Intergovernmental Cooperation and Contracts. In addition to other powers granted in this charter, the Board shall have the power to contract and cooperate with any other municipalities or other political subdivisions of the State of Tennessee, or with an elective or appointive official thereof, or with any duly authorized agency of the State or the United States, for the exercise of any power or function which the Town is authorized to undertake by this charter.

Section 5.02. Execution of Such Powers.

(a) The Board may exercise the powers conferred in this article by ordinance or resolution setting out the terms to be included in any such contract or cooperative action. The parties to such a contract or cooperative action may acquire, by gift or purchase, or by the power of eminent domain exercised by one (1) or more of the parties, the lands, buildings and other property necessary or useful for carrying out the intentions of the contracts or cooperative action, either within or without the corporate limits of more than one (1) of the contracting parties, and shall have the power to hold or acquire such property jointly. The Town may provide for the financing of such a contract or cooperative action in the same manner as if it were acting alone and on its own behalf. The general rule governing the Town's participation in such endeavors shall be cost avoidance, and proportionality of contribution to services received.

(b) Such a contract may also provide for the establishment and selection of a joint commission, officer or officers to supervise, manage and have charge of a joint service or project, and may provide for the powers and duties, term of office, compensation, if any, and other provisions relating to the members of such joint commission, officer or officers. Such contract may include and specify terms and provisions relative to the termination or cancellation of the contract or cooperative action by ordinance or resolution, and the notice, if any, to be given of such termination or cancellation. Such cancellation or termination shall not relieve any party participating in such contract or cooperative action from any obligation or liability for its share in the cost or expense incurred prior to the effective date of any such cancellation or termination.

Section 5.03. Immunities and Liabilities of Officers. All public officers acting under the authority of a contract or undertaking cooperative action under the provisions of this article shall enjoy the same immunities and be subject to the same liabilities as if they were acting entirely within the territorial limits of their respective governmental units.

Section 5.04. Handling of Funds. All money received pursuant to any such contract or cooperative action, under the provisions of this article, unless otherwise provided by law, shall be deposited and disbursed in accordance with the provisions of such contract or cooperative action.

ARTICLE VI.**MISCELLANEOUS PROVISIONS.**

Section 6.01. Other General Law May be Used by the Town. Notwithstanding any provision of this charter, the Board may elect to operate under or adopt any general law or

public act available to municipalities of the State of Tennessee, in lieu of or in addition to the provisions of this charter.

Section 6.02. Penalties. A violation of any provision of this charter, for which a civil penalty is not specifically provided herein, shall result in a civil penalty of not more than fifty dollars (\$50.00).

SECTION 2. Nothing in this act shall be construed as having the effect of removing any incumbent from office or abridging the term of any official prior to the end of the term for which such official was elected.

SECTION 3. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to that end the provisions of this act are declared to be severable.

SECTION 4. This act shall have no effect unless it is approved by a two-thirds (2/3) vote of the Legislative Body of the Town of Parrottsville. Its approval or nonapproval shall be proclaimed by the presiding officer of the Legislative Body and certified to the Secretary of State.

SECTION 5. For the purpose of approving or rejecting the provisions of this act, it shall be effective upon becoming a law, the public welfare requiring it. For all other purposes, it shall become effective as provided in Section 4.
